No. 293S.-R.—The 30th January 1920.—In exercise of the power conferred by rule 40 of the Bengal Opium Rules, 1918, published with Notification No. 562S.R., dated the 2nd March 1918, at pages 382-395 of Part I of the *Calcutta Gazette* of the 6th idem, the Governor in Council is pleased to make the following directions to regulate the export of opium by sea from Calcutta :—

1. On and from the date of the publication of the notification the directions published with the Board of Revenue Notification No. 5891B., dated the 10th October 1910, as subsequently amended, shall cease to have effect in the port of Calcutta.

Regulation of the export of opium by sea from Calcutta.

2. Opium may be exported by sea from the port of Calcutta if it has been purchased from the Government at a public sale held by the Local Government, and is covered by a Delivery Order and a certificate granted by the Local Government. A Delivery Order is an order of the Local Government addressed to the Intendant of the Presidency Opium Godowns for delivery of a certain number of opium chests ; and a certificate is a document authorising the Collector of Customs to allow the shipment of the opium

specified in it. The currency of a certificate is four days, exclusive of its date of issue, and exclusive of Sundays and Custom House holidays. No Delivery Order or certificate for the export of opium will be issued on the same day on which the opium has been sold.

3. A shipper wishing to export opium shall first present his Delivery Order to the Intendant of the opium godowns, and take out his chests of opium from the stacks and arrange them in the corridor, where he will mark them with his distinctive marks for shipment. Before removing the chests from the corridor the shipper shall obtain a pass from the Collector of Customs by presenting at the Custom House the certificate granted him by the Local Government, accompanied with a shipping bill (in duplicate) printed in red ink. The Custom House pass, which will be granted on the shipping bill, shall then be shown to the Intendant, who will then give permission for the removal of the opium chests for shipment. In the case of opium chests which are passed out through the Custom House gate the shipper is also to show the Custom House pass to the gate officer of the Custom House before taking away his chests.

4. If any opium covered by a certificate is not removed from the Presidency Godowns within a period of four days from the date of the issue of the certificate, the holder of the certificate must, within 24 hours next after the expiry of the said period, apply to the Local Government for a fresh certificate.

5. If any opium has been removed from the Presidency Godowns within the said period of four days, and has been passed out by the Customs authorities for export, but has not been shipped within the said period by reason of the opium being shut out from the ship in which it was intended to be shipped, or for any other reason, the shipper must, without delay, apply to the Local Government for a fresh certificate, and must, pending the issue of such certificate, either (*a*) return the opium to the Presidency Godowns, with the permission of the Collector of Customs, or (*b*) keep it, with the permission of the said Collector, under sealed hatches at a mooring ghat to be fixed by the Superintendent of the Calcutta Customs Preventive Service.

6. (*a*) On ordinary working days no Treasury receipt in payment for opium, and no Delivery Order for cancellation will be accepted by the Local Government after 3-30 P.M., and no certificate will be granted after 4 P.M.

(*b*) On Saturdays no receipt or Delivery Order will be accepted after 1-30 P.M., and no certificate granted after 2 P.M.

(*c*) A certificate is not transferable, and no one but the person named on the face of it by the Local Government will be entitled to export opium on it.

7. The certificates granted by the Local Government are to be returned to the Local Government within thirty days, duly cancelled.

8. Opium intended for export, which is not cleared from the Port Commissioners' Jetty No. 8 or the Docks at Kidderpore as the case may be, before 4-30 P.M., shall be conveyed to the steamer in covered cargo-boats with properly secured hatches.

9. On any day on which clearances are made from the Opium Godowns the Intendant shall give notice to the Collector of Customs, who will at once appoint a Preventive Officer to be in attendance at 4-30 P.M., at the Port Commissioners' Jetty No. 8 or the Docks at Kidderpore, as the case may be, to perform the duties mentioned in rule 10. When the Intendant is aware that clearances will be made from the godown after 4-30 P.M., he shall make immediate report to the Collector of Customs of the probable number of chests that will be removed after that hour, and the Collector will appoint one or more additional Preventive Officers to be in attendance for the performance of the duties above referred to.

10. In respect of opium chests not placed on cargo-boats before 4-30 P.M. for conveyance to the steamer the Preventive Officer at the Port Commissioners' Jetty No. 8 or the Docks at Kidderpore, as the case may be, shall perform the duties below named. He shall supervise the loading in covered cargo-boats with properly secured hatches of all opium chests lying at No. 8 Jetty or the Kidderpore Docks after 4-30 P.M., or brought there after 4-30P.M. He shall see all such chests placed in the hold of covered cargo-boats and shall then secure and seal, with a distinctive mark, the hatches or other

openings or doors of such cargo-boats by which access may be had to the hold, before allowing the boat to proceed to the steamer.

11. The Preventive Officer on board the receiving steamer shall carefully examine the seals affixed to the hatches or other openings or doors of a cargo-boat laden with opium, as soon as the boat arrives alongside the vessel, and shall not allow the seals to be broken in any case until he is prepared to receive the opium on board, and to superintend the removal of the chests from the hold of the cargo-boat.

12. If it appears to the Preventive Officer on board the receiving vessel that the seals placed on the hatches or other openings or doors of a cargo-boat have been broken in transit, or have been in any way tampered with, he shall immediately bring the matter to the notice of the officer in charge of the vessel, and shall examine each chest carefully. If any theft of opium is discovered, the Preventive Officer shall make an immediate report to the River Police and to the Collector of Customs, mentioning at the same time the number of the cargo-boat and the name of the owner and *manjhi*.

13. The procedure described in rules 8, 10 11 and 12 both inclusive, is enjoined especially in the case of opium cleared from the godowns after 4-30 P.M., but it may, on application by the shipper to the Intendant, be followed in the case of opium cleared before that time.

14. Rules regarding fees to be paid for delivery and clearance of opium from the Opium Godowns outside regulation hours, and for return of opium to the godowns which has been shut out by steamers, will be found in the Board of Revenue Notification No. 388A., dated the 5th February 1913.
